

The Rhode Island Alliance for Full Participation Fifth Annual Celebration!!!!

You're Invited!

This year the FIFTH Rhode Island Alliance for Full Participation's Annual Gala Celebration will be held on Thursday evening, November 18, 2010, at the Crowne Plaza, Warwick, RI.

For the past four years, the over 1,000 folks attending the Galas were introduced to storytellers with compelling testimonies of success, courage, and hope. Storytellers have amazed us with their medals and honors, entertained us with their musical skills (classical piano to concertina), and challenged us all to new successes as a community.

The RI Alliance for Full Participation (AFP) is a community of self-advocates, family members, service providers, state agency staff, local individuals, and civic groups working together to insure a good quality of life for all Rhode Islanders. The AFP would like to connect with families new to Rhode Island, to self-advocates looking for new ways to participate in their communities, to folks who are just beginning to build support networks. Because of the broad spectrum of participation in the AFP Galas, the Celebration is a great place to mingle, network, be amazed at what folks have accomplished, and have fun all in the same spot.

Honoring the contributions of the storytellers helps keep us grounded in challenging times. The Celebration focuses on the positive and good in people, on strengths and talents, and hope. For photos and videos of previous RI Alliance for Full Participation events, please visit the AFP website at www.riafp.net.

The Celebration this year will once again be held at the Crowne Plaza in Warwick, from 6:30 pm to 8:30 pm on Thursday, November 18th. The event is free; there are light refreshments. We hope you will be able to share this invitation to Celebrate!
